Application No. 10/692,331
Amendment dated February 7, 2007
After Final Office Action of January 24, 2007

FEB 07 2007

Docket No.: 65783-0031

REMARKS

Applicants have carefully reviewed the Advisory Action mailed January 24, 2007. In the Final Office Action, the Examiner finally rejected claims 1-16 and 20-25. In the Advisory Action, the Examiner indicated that claims 17-19 would be allowable if submitted in a separate timely filed amendment canceling claims 1-16 and 20-25.

In response to the Examiner's suggestion in the Advisory Action, without acquiescing in the Examiner's reasoning therein, Applicants have canceled claims 1-16 and 20-25 without prejudice or disclaimer of the subject matter contained therein. Accordingly, Applicants respectfully submit that claims 17-19 are allowable. Applicants specifically reserve the right to pursue subject matter of the canceled claims in future continuation applications.

In view of the above amendments, applicant believes the pending application is in condition for allowance. Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 18-0013, under Order No. 65783-0031 from which the undersigned is authorized to draw.
